

Carea Community Health Centre - Chief Financial Officer

Carea Community Health Centre is a registered charitable organization providing a wide range of free, community programs and services to people of all ages across Oshawa, Whitby, Ajax and Pickering. Providing access to high quality, holistic, and inclusive care, Carea is responsive to the needs of the community and empowers individuals to enhance their own well-being. At Carea the focus is on addressing the complex picture of human health. This means they consider the social, emotional, economic, health and developmental circumstances an individual is experiencing when accessing any of the many programs or services they offer. Carea empowers clients to improve their health and wellness by enabling people to increase control over, and to improve their health. Carea strives to be accessible to those in the community who face access barriers such as culture, gender, age, geographic isolation, homelessness, language, physical and/or cognitive disabilities, poverty, and race - to name a few.

THE OPPORTUNITY

This exciting and multi-faceted Chief Financial Officer (CFO) role provides visionary and strategic leadership for the overall financial health and well-being of the organization across the full continuum of client and community system care/services at Carea Community Health Centre. The CFO is accountable for strategic and fiduciary financial investment; is a custodian of funder relations and reporting; and ensures outstanding financial stewardship, integrity, and accountability in conjunction with various Committees and the Board. As a key member of the senior leadership team, the CFO actively contributes to the development and implementation of Carea's strategic plan and priorities and will be an inspirational and transformative leader who drives organizational longevity, innovation, change and growth internally and with external partners.

THE IDEAL CANDIDATE

The ideal candidate will act as a strategic advisor and business partner while leading the financial operations to support Carea Community Health Centre's initiatives. You bring at least five (5) years of recent progressive experience as a hands-on financial leader in a hospital or health care community service organization. You lead by example, and value the importance of building collaborative relationships with stakeholders. A visionary, you understand the impact of financial decisions on the business and strive to improve business performance. Familiarity with business processes within the not-for-profit sector, and an understanding of funding requirements in healthcare as well as public sector systems/approaches are considered an asset.
