The 17th Oshawa Mayor's Golf Classic Raises Over \$93,000 in support of Carea Community Health Centre!

Oshawa:

The 17th Oshawa Mayor's Golf Classic presented by Tribute Communities and Sorbara Group of Companies is proud to announce that this year's tournament raised over \$93,000! Carea Community Health Centre (CHC) is very grateful to Tribute Communities and The Sorbara Group for their support presenting this annual event.

Golfers enjoyed a fantastic day at the Oshawa Golf and Curling Club that included a BBQ lunch presented by Hard-Co Construction Whitby, the Mayor's Reception hosted by Fieldgate Developments and an elegant dinner thanks to Fraser Automotive Group. Carea CHC would also like to thank Minto Communities, Elexicon Energy, Ontario Tech University and Durham College for their support along with the many other sponsors who gave generously.

"I am overwhelmed by the amazing response we received at my first Oshawa Mayor's Golf Classic. Carea Community Health Centre provides so many important services in our community for those in need, so it was wonderful to be able to support Carea once again this year. I'd like to personally thank all of the sponsors and golfers for making the event such a great success!" said Mayor Dan Carter.

Francis Garwe, CEO says, "Carea CHC is very grateful to Mayor Carter, our many sponsors and all the wonderful golfers who made the tournament such a great success. As Carea grows, our fundraising efforts continue to play a crucial role in our ability to deliver free programs and services to some of our community's most marginalized residents. The Oshawa Mayor's Golf Classic is our signature event and we look forward to hosting everyone again next year." The funds raised from this year's Oshawa Mayor's Golf Classic will support Carea's numerous children and youth programs. **Next year's 18th Oshawa Mayor's Golf Classic will be held on July 16, 2020.**

Carea CHC is a registered charitable organization providing a variety of free, community programs and services to people of all ages across Oshawa, Whitby, Ajax and Pickering. Services include: health promotion and wellness; primary care, counselling and mental health; diabetes education; Hepatitis C screening, treatment support, education and outreach; geriatric assessment & intervention; young parent support, youth, Indigenous and community development programs. In line with the CHC Model of Health and Wellbeing, their expert team works with all ages to provide holistic care, support, and wraparound services that empower clients to improve their health and wellness. They strive to be accessible to those in the community who face access barriers like culture, gender, geographic isolation, homelessness, language, physical disabilities, poverty and race.
